**ABOUT THE WORKSHOP**

In copperplate's heyday, Master penmen advertised their skills by shaping their calligraphy and flourishes into elaborate pictorial designs. The art of the flourish is back! Schin is the author of Calligraphic Drawing: A How To Guide and Gallery Exploring the Art of the Flourish, a hands-on guide to modern calligraphic art, ranging from animals to people, to fantasy subjects and works that combine pictures with writing. In this workshop, she will take us through creating flourished animals, using step-by-step methods. Templates are provided, as needed, but the flourishing will be uniquely yours!

\*Some pointed pen experience needed.

Workshops are limited to 20 participants. Enrollment is limited to current paid Society for Calligraphy members only. Your membership must be current at time of sign-up as well as when class is held. No reservation will be held until your dues are current. If your membership lapses, you become ineligible and your space will be filled from the waiting list. Sign-ups are accepted in advance on a first come, first served basis. No refunds unless your place can be filled from a wait list. If you must cancel, please allow sufficient time for your place to be filled. For prompt receipt of supply list and confirmation, we recommend that your check should arrive no later than two weeks before the workshop.
